

We are looking for a
SITE MANAGER
to join our team.

We have an opportunity for an experienced Site Manager to oversee a residential construction project in Dublin (close to the M50). You will be responsible for the day-to-day operations of the site for a leading construction company. Working with an ambitious and energetic team you will manage the delivery of this project.

A competitive salary with fantastic benefits including a company van and fuel card will be part of your package. CGDM are part of CIRI and develop our CPD skills every year, therefore training, webinars and continued professional development will be available.

CGDM Group Ltd is a young award-winning company delivering excellence in high quality commercial construction and fit outs, operating across Ireland and the UK in many sectors.

Job Description:

- Day-to-day management of the operations on site
- Responsible for all site management ensuring project is completed on time and to an exceptional high standard
- Manage labour and sub-contractors and all personnel on site
- Carry out toolbox talks & inductions
- Implement all CGDM Health & Safety Policies on site
- Plan and efficiently organise site facilities and logistics
- Requisitioning of all construction material and planning
- Ensure that all site related paperwork is properly completed
- Ensure workmanship and material standards are achieved in accordance with specifications, building regulations, quality standards and Health & Safety
- Maintain quality and environmental controls in line with CGDM ISO standards
- Continually develop knowledge of innovative construction techniques and products to enhance the business and fulfil company CPD requirements
- Uphold and promote company values of integrity, teamwork, quality & commitment

Skills & Experience:

- Minimum 5 years' experience within a Construction Site Management role
- A good understanding of design drawings
- Understanding of all building regulations, legislation and Health & Safety
- Ability to create solid relationships with internal and external stakeholders
- Strong communication, organisational & time management skills
- Willingness to develop, learn and progress within CGDM
- Work well under pressure and deliver to tight deadlines
