

We are looking for a  
**Graduate Quantity Surveyor**  
to join our team.

**CGDM Construction is an award-winning construction company specialising in high quality commercial fit-out and refurbishment projects. Established in 2008, we are a young ambitious company with offices in Newry, Dublin and London.**

Due to business expansion, a position has opened for a graduate quantity surveyor. This is a fantastic opportunity to gain valuable experience and guidance within the construction industry. Working on an energetic team, you will be part of a young talented company.

**Job Description:**

- Assisting in the preparation of take-offs & rating bills of quantities
- Completing PQQ & tender submissions for procurement
- Analysis of costs from suppliers & sub-contractors with subsequent appointment of same
- Supporting site team with project specific queries
- Remeasurement of sub-contract packages
- Monitoring costs of construction projects
- Uphold and promote company values of integrity, teamwork, quality & commitment
- All other duties as and when required

**Skills & Experience:**

- An honours degree in quantity surveying
- At least 1 year's placement/work experience in a similar role
- Excellent communication and IT skills
- Full clean driving license

The successful candidate must be able to work as part of a team, to tight timescales and have the ability to work on their own initiative.

CGDM Group will offer a competitive remuneration package, with wellbeing initiatives and benefits to the successful candidate. CGDM are part of CIRI and develop our CPD skills every year, therefore training, webinars and continued professional development will be available.
