

CGDM is seeking an experienced Lead Designer to join the team to design and deliver exceptional projects for elite brands within the retail and commercial industries worldwide.

You will play a pivotal role within the company's strategy to become a Global leader in brand experience fit outs while ensuring successful design development whilst embracing innovation.

At CGDM, we encourage creativity and ambition, we want our staff to be fulfilled in their roles, and offer continual development within an open and fun environment.

### The Role

- ⊕ Produce concept designs for our own D&B projects
- ⊕ Develop concept designs provides by clients or other design teams
- ⊕ Generate precise production & site-orientated drawing information
- ⊕ Assist in the setup of the project and support the document controller in the management of design documentation
- ⊕ Create drawings and drawing packages
- ⊕ Attend site surveys
- ⊕ Attend client meetings and interacting with clients throughout the project
- ⊕ Effectively using the Company's Design software and assisting with the implementation of new software into the department such as Inventor
- ⊕ Travel and working off site in accordance with the role's commercial functionality

### The Person

- ⊕ Minimum 5 years' experience in a design role
- ⊕ 3<sup>rd</sup> Level Qualification in a Design Related Subject
- ⊕ Strong design and detailing skills
- ⊕ Strong interpersonal and communication skills
- ⊕ Knowledge and experience using AutoCAD, Revit, 2D draughting and 3D modelling
- ⊕ Good knowledge of building regulations
- ⊕ A collaborator

### The Nice to Haves

- ⊕ An accredited member of RIAI or RIBA with Part 3 experience
- ⊕ Experience working in a design role for a fit-out company in retail and office space
- ⊕ Qualified and experienced in BIM (Not essential)
- ⊕ Experience in building regulations in ROI and BCAR

CGDM is an equal opportunities employer. We welcome people from all backgrounds and recognise that in order to be successful, we need to create an inclusive environment where everyone can reach their potential and succeed.
